

2010 MIDLAND COUNTY BASEBALL/SOFTBALL CLINICS

The camp is open to anyone in Midland County and will begin Saturday, February 27th. This is a great opportunity for players and parents to be instructed by experienced coaches. The camp will cover basic throwing, fielding, hitting and base running techniques. All sessions will be held in **Bullock Creek High School's** main gym.

Camp Structure: Each day will start out with approximately ten minutes of instruction. Following instruction, the athletes will be divided into small groups where they will begin a series of drills. The goal of this clinic is not to master the skill, but to give them tools they can use at home or at practice that will make them better players.
